The ICAV is an EEA UCITS that has been notified for temporary recognition pursuant to regulation 62 of The Collective Investment Schemes (Amendment etc.) (EU Exit) Regulations 2019, as may be amended (the **UCITS SI**), for the purposes of part 17 of the UK Financial Services and Markets Act 2000, as amended (the **FSMA**).

Shares in the ICAV may only be promoted to the UK public by persons authorised to carry on investment business in the UK.

The ICAV does not carry on investment business in the UK, so as to require the conduct of its business to be regulated under the FCA. Shareholders will therefore not benefit from the protections provided by the UK regulatory system.

### **Important**

A UK investor who enters into an investment agreement with the ICAV to acquire Shares in response to the Prospectus will not have the right to cancel the agreement under the cancellation rules made by the FCA. The agreement will be binding upon acceptance of the order by the ICAV.
